Pepto-Mangan Purifies

**Tune Up Your Blood with It
Notice the Difference with
Rich Red Blood in
Your Veins**

The man or woman or the child with a sickly-looking complexion, a pale wan face, has blood that is filled with poison. Instead of rich red blood coursing through their veins, they are trying to get along with blood that is weak and thin. It doesn't carry life-giving qualities through the body. You see those men and women every day. They are so tired. Their shoulders droop. They slouch. It is all they can do to get around.

As soon as you began to feel that way take Pepto-Mangan, the well-known blood tonic. It will clear away the poisons and make your blood rich with red corpuscles.

Pepto-Mangan is prepared in both liquid and tablet form. One has the same medicinal value as the other. Take either kind you

prefer. But be sure you get the genuine Pepto-Mangan—"Gude's." The full name, "Gude's Pepto-Mangan," should be on the package.

IT WAS a rotten night.
RAIN, WIND, mud, slush.
AND AFTER a hard day,
IT MADE me sore.
TO GET all dolled up.
JUST TO go calling.
ON A pair of fish.
I NEVER could see.
BUT ORDERS is orders.
FROM FRIEND wife.
AND "GEE," I said.
"THIS is a bum life."
THEN THE phone rang.
AND THE party was off.
I CLIMBED out quick.
FROM THE soup and fish.
INTO THE easy clothes.
AND SAT by the fire.
TOASTING MY toes.

AND WATCHING my wife,
QUIETLY KNITTING away.
IN THE firelight.
AND I heard the rain.
BEAT AT the windows.
AND THE winter wind.
HOWL AROUND.
AND I stretched out.
IN THE old arm chair.
TOOK UP a book.
LIT ONE of those cigarettes.
THAT "SATISFY."
AND SAID, "Oh, Man.
IT'S A great old life."

IT'S a great life, all right—some-
times. But in fair weather or foul,
you've got a lean-to if you've got
Chesterfields—they always "Satisfy."
It's all in the way we blend these fine
Turkish and Domestic tobaccos. And
mind you—the "Satisfy-blend" can't
be copied!

Indigestion
Many persons, otherwise vigorous and healthy, are bothered occasionally with indigestion. The effects of a disordered stomach on the system are dangerous, and prompt treatment of indigestion is important. "The only medicine I have needed has been something to aid digestion and clean the liver," writes Mr. Fred Ashby, a McKinney, Texas, farmer. "My medicine is

for indigestion and stomach trouble of any kind. I have never found anything that touches the spot, like Black-Draught. I take it in broken doses after meals. For a long time I tried pills, which gripped and didn't give the good results. Black-Draught liver medicine is easy to take, easy to keep, inexpensive."
